

JOIN US

for a supplier and subcontractor meet / greet, request for In-Kind Donations*, and a general information session for Jacksonville's Museum of the Marine project! The Museum of the Marine will supply the context for the project and a progress update, CJMW will review the construction documents, and Samet will review prequalification procedures, safety requirements, schedule, and bidding procedures for this commemorative project to honor Marines past and present.

Food & refreshments provided!

*a gift of goods and services
